

Bob Abeyta, CPIM, CSCP, CLTD

Bob Abeyta has over 25 years of professional experience in a variety of healthcare industries including medical devices, pharmaceuticals, and diagnostics. His expertise is in Manufacturing and Supply Chain Operations, and he continues to be responsible for those areas in his job as Director of Operations at Cerapedics, a biotech Company that manufactures synthetic bone graft.

Bob holds APICS certifications for Certified in Planning and Inventory Management (CPIM), Certified In Logistics, Transportation and Distribution (CLTD), and Certified Supply Chain Professional (CSCP). Bob received his Bachelor's Degree from the University of Colorado at Boulder in Biochemistry and in Biology and has a Master's of Business Administration degree in Finance from the University of Colorado at Denver.

He has been a Certified Lead Instructor for APICS for 4 years and has instructed dozens of classes for CPIM, CSCP, and Lean Certifications. Bob has also been a past Colorado APICS Chapter Board of Directors member and Director of Publications.
